ANNUAL REPORT | 2024 | 2025

Kids Eat Smart Foundation

NEWFOUNDLAND & LABRADOR

A MESSAGE FROM THE CHAIR AND EXECUTIVE DIRECTOR

Serving more than 47,000+ meals each school day, in our 275 Kids Eat Smart Clubs, is a significant undertaking. This is made possible through the support of our donors and partners, and the unwavering commitment of school principals, club coordinators, teachers, staff, and volunteers who help children learn, grow, and reach their full potential.

We remain deeply grateful for your support and partnership in ensuring that every school age child has access to food at school, at no cost to families. This Annual Report outlines the meaningful progress made in 2024–2025 and highlights the direct impact your generosity continues to have on children and youth in every city, town, bay and cove throughout Newfoundland and Labrador.

As the school year began, the demand for and importance of Kids Eat Smart Clubs were unmistakable. Children returned eager to learn, and many relied on Kids Eat Smart Clubs for the nourishment and comfort that helped them start their day. We are continually inspired by the kindness of our partners and donors, and by the dedication of principals, club coordinators, teachers, staff, and volunteers who show up each day for children, offering not only food, but comfort, consistency and a sense of belonging. The smiles on children's faces and the visible, positive impact on students remain our greatest inspiration and reinforce our commitment to the children in Newfoundland and Labrador.

It is through the support of our many fundraising initiatives that we ensure breakfast is ready when children arrive at school.

We acknowledge the continued support of the Government of Newfoundland and Labrador, whose commitment and partnership strengthens our ability to deliver a reliable, province-wide program and strengthens our ability to reach children in every corner of our province. As we continue to grow and enhance our program, the combined contributions of our partners, donors, and volunteers ensure that children begin each school day well-nourished and ready to learn.

Thank you for helping us Feed the Kids...One Breakfast a Time.

Sincerely,

Katharine Fagner, Chair

Planning our lifelong
impact for children;
A healthier today,
a smarter tomorrow.

Our Vision

That every school age child in Newfoundland and Labrador attends school well nourished to be ready to learn.

Our Mission

We partner with schools, communities, volunteers and donors to provide nutritious food to children and youth in Newfoundland and Labrador, through our Kids Eat Smart Clubs.

FEED THE KIDS CAMPAIGN

2025

Your support of our Feed the Kids Campaign has made a direct impact on the lives of our school age children and youth. We thank you for your support and for joining us in Feeding the Kids... One Breakfast at a Time. On behalf of the children who will have breakfast because of you, we thank you for your generosity and kindness.
